When as individual Intelligence signifies to the Source of Life that He desires to become a self-conscious Radiating Center through which the Godhead may focus more than ordinary Powers, Gifts and Activities of the Sacred Fire, such an Intelligent Being, when accepted, becomes an outpost of Divinity, extending the Sphere of Influence of the Center of God Intelligence in His particular Universe.

In such a manner does the Central Sun of our System endow Cosmic Beings with the magnetic and radiating powers which enable them to form and sustain the lesser suns of the galaxy, and to create and nourish the planets and satellites which form a system of worlds.

From the Heart of the Central Sun of a System, down to the smallest atom, we see the precision of the circular rhythm of Life. The Cosmic Love of the Central Sun Intelligence draws exquisite Cosmic Beings who form the INNER CIRCLE of the Godhead. Their service is to absorb the Divine Perfection, the Sacred Fire, the God-Qualities of the Father-Mother God and, by the power of their own Life Flame, expand these Gifts into the universe. They condense the Glory of the Godhead, mercifully stepping down its tremendous Light and Power so that It can be enjoyed by those beings who have not yet evolved to a point where they might stand in Its unveiled Radiant Aura. This Inner Circle nourishes and protects the Heart of God by the outpouring of Love and

Light consciously generated from within the individual Heart Flame of the Cosmic Guard around the Throne of the Most High. Thus, in giving, They receive, and in receiving, They are increased in the power and capacity to give.

Each Sun that is sent forth from the Central Sun, in like manner, steps down the Light and Power of the Central Sun and radiates the Gifts and Powers of the Central Sun through the Inner Circle of Cosmic Beings who form the Aura of the Sun itself. These Beings are the Messengers of the Most High to the planets belonging to that Sun, and all life evolving thereon. You will see that the activity of the Inner Circle adopted by the Great White Brotherhood is patterned after the design of the Universe itself.

When an individual on the planet Earth has expanded his Light to a point where more than ordinary power can be safely focused through him, the Lord of the World is immediately advised of the fact by the Christ Self of the individual and the Sponsor from the Ascended Host of Light who has taken the responsibility for assisting such an one to the expansion of his Light. If the lifestream is found pure enough, and balanced enough to become an outpost of the more than ordinary powers, gifts and activities of the Godhead and Its Representative Organization for the planet Earth, the Great White Brotherhood, such an one is invested with specific magnetic currents which will draw toward the individual lifestreams who can work in harmony with such an one, and form the Mystic Circle around which a localized, national or international expansion of Light will take place.

As the steel magnet unerringly attracts the particles of steel toward it, but has no effect whatsoever on other types of so-called matter, so do the lifestreams of those who are ordained to be the Heart Center of a specific gravity draw complementary Heart Flames which can respond to the magnetic pull of their vibration, and others will be totally unaffected by this subtle centripetal force.

In the case of great Cosmic Messengers like Gautama Buddha and Jesus, you will remember how the Master would greet a newly-come expected one with the words: "I have waited long for thee!"; the Master knowing full well that the magnetic power of Cosmic Love would, in God's good time, draw those specifically dedicated individuals who were to become the Inner Circle, the Radiating Center, the Hands and Feet of their Lord, by which His Message and His Word might be stepped down to reach the lesser sons of men.

In forming the Inner Circles for the expansion of this Light, wherever an individual is fired with the desire to become a focus for the added power and responsibility, there will be drawn around that lifestream those individuals who choose to become a localized Order, radiating from the Central Circle which represents the Sun (the "I AM" God Presence and the Masters) surrounded by the Messengers and their Disciples who, in turn, carry their Love, Light and understanding to the local groups (the planets of the spiritual organism); and the local groups, in turn, nourishing and developing the mankind cradled in their aura.

The Spiritual Vibrations for the expansion of

Light through the BRIDGE will draw specifically prepared lifestreams who will respond joyously to the magnetic pull of God's Love. They will become outposts of this particular outpouring which will in no wise interfere with the 'Light from many candles' that are already burning on the altars of the world. As I have said repeatedly, the light from even one penny candle increases the light from the Sun, and we must rejoice in each such individual or group as chooses so to shine, each according to his Light, his Understanding, and his capacity at present. For those who can respond to My Vibration, I AM grateful indeed.

Blessings and Love,

MAHA CHOHAN
